About

I am a 3rd year Glasgow University undergraduate student living in Glasgow. I am an enthusiastic individual with a wide range of software experience. I have excellent communication skills and a positive attitude. My interests vary a lot, from low level programming to front end frameworks.

Experience

AUGUST 2024 - PRESENT

Freelance Web Developer | Design for Displacement
Lead developer for the Design for Displacement architecture course. Working with Typescript and React to create a stylistic, modern and informative Website.

SEPTEMBER 2024 - PRESENT

Software Developer & Team Chair | Off Axis Gigs
Working in a team, through Glasgow Uni, to design and implement improvements to the company's current tech system.

SEPTEMBER 2020 – SEPTEMBER 2024

Pharmacy Assistant | Davidson's Chemists
Long-term part-time job, using pharmaceutical technologies.

SEPTEMBER 2021 – JUNE 2022

Lifeguard | Ye Amphibious Ancients Bathing Association
Dedicated pool lifeguard.

Projects

Django Jam | Music Sharing
An online web-app with an interactive piano. Used to record and share Tunes with others.

C Paint | Painting Software
A program written C and using OpenGL to allow painting.

Sled-Eval | Evaluation Library
A C library for evaluating mathematical expressions. Detailed and easy to use.

Awards, Societies and Hobbies

Awards: – **Vice Chief Executive for MATE National Competition** – **World Host Principles Customer Service**,
– **DVSA Driver's License** – **NPLQ Lifeguard** – **Grove Academy Vice School Captain**

Member of: Glasgow Uni Tech, Ai, and Book Societies, V&A Dundee's Young people's collective.
Some other hobbies include Surfing, Skiing and rock climbing.
